# TRAIN & PLAY AT THE BOB

**Get Certified. Then Catch the Game.**

## SATURDAY, JANUARY 30, 2027 · TRAINING 12:00–2:00 PM · TIP-OFF 2:00 PM

**Delaware Blue Hens vs. Sam Houston · Bob Carpenter Center, Newark, DE**

A group outing that does double duty: your team earns a **real CPR/AED certification** in the Sparks Suite at the Bob Carpenter Center — then stays for **Delaware Blue Hens basketball**.

## HOW IT WORKS

Your group trains with Define Rescue in the Sparks Suite for about two hours — hands-on, two people to a manikin, nobody just watching. Every participant leaves with a same-day digital CPR/AED certification. Then your game tickets are printed and waiting, and the group settles in for the game.

## WHAT YOUR GROUP GETS

- ✓ A **2-hour certification training** taught by Dantee Johnson, HSI-certified instructor with 12 years of teaching experience
- ✓ **Same-day digital certification** for every participant
- ✓ **Game ticket printed and waiting** on the day — no box-office lines
- ✓ The **Sparks Suite** setting for your training: your outing starts in a suite, not a classroom

### PACKAGE PRICES — PER PERSON
